

Designer Eco Homes – House and Land Package

Designer Eco Home – Northview on Lot 8 \$396,250.00

Designer Eco Homes are the perfect solution for your new Northview at Milton building block. Our homes are an environmentally conscious alternative to the standard project home. Each house and land package we have created for Northview at Milton will incorporate the latest GreenSmart design and building techniques to better meet the needs of home owners today and hopefully well into the future. Your new Designer Eco Home includes:

- 50 year Structural Guarantee
- 25 year Guarantee against termite damage to timber frame
- Customized solar passive design
- 6 Star Rating by the National House Energy Rating Scheme (NatHERS)
- 5000 litre water tanks and pump
- Solar hot water system
- Energy efficient lighting
- Bamboo, timber, or tile floor finish
- Thermal insulation to all external walls and ceiling
- Caesar Stone kitchen bench top

2 Bedroom country style home with double garage. 146m2.
